Dear Rick,
How nice to hear from you. It would be fantastic if you could attend on Monday morning session. Yes, I absolutely think it would be useful to have you there. Would you be able to stay from 8 to 11 for the presentations? Would you like to say a few words of welcome at the beginning?
Best regards,
Laura

Just wanted to make sure everything was on track for the workshop in a couple of weeks. There is a possibility that I will be in the RTP area on the Monday morning and thought I might stop by at the beginning, if you think that would be worthwhile.
